

Chris Mason, a seasoned professional in the real estate industry, has been managing single-family homes in Palm Beach County for over a decade. With a hands-on approach and a steadfast commitment to transparency and reliability, Chris has earned a reputation of integrity and reliability. His extensive expertise in real estate, construction, project management, and property management make him an invaluable asset to discerning homeowners.

In partnership with Mark Albright, the owner operator of Albright Construction - a Luxury Home Builder, Chris co-founded a joint venture which is uniquely positioned to offer property management services that no other estate management company can offer. His mission is to provide clients with a seamless and stress-free experience, ensuring their properties are well-maintained and their needs are met with professionalism and confidentiality.

### **Services Provided, but not limited to:**

Home system monitoring - Physically check and inspect all home systems and implement the proper maintenance schedule for all the home equipment and systems. When needed, coordinating timely repairs.

Contractors - Access to vetted contractors who do exceptional work for all home repairs or renovations. Subcontractors work for and have been vetted by Albright Construction, a top home builder in Palm Beach.

Security – Access to Major Michael Mason, retired from the Palm Beach Police Department after 26 years of service. Will handle all security and problem-solving needs

Reporting - Home report with photos emailed regularly.

Concierge Service - From meeting and supervising repair contractors to picking up family members at the airport, facilitating the owner's needs is the highest priority.

Staffing - Assist the owner in locating individuals needed to work in the home. Conduct interviews and background checks to properly evaluate each person for suitability to work for the owner.

Hurricane Planning and preparations - Immediate access to Albright Construction for emergency home repairs after a storm.

Customized Services - Working with the owner on any other needs they may have.
